PUBLIC CHARTER SCHOOLS

2014-2015

## SCHOOL ACCOUNTABILITY REPORT CARD

### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### Principal's Message

Welcome parents and students to the Opportunities For Learning (OFL) community. The purpose of this School Accountability Report Card (SARC) is to provide you and the community with information about our instructional programs, academic achievements, materials and facilities, and our staff.

OFL prides itself in being a quality school of choice for those looking for an alternative to the traditional school environment. Families choose our school for a variety of reasons. Some students choose our school because they have struggled academically and are looking for additional academic support to reach their goals. Other students choose our school because they have been bullied, have trouble at home, suffer from social anxiety, or have responsibilities outside of school that require a more flexible schedule. OFL offers our students' academic, social and emotional support that makes a difference in their lives. Our staff empowers, inspires, and connects with all of our students, which leads our students to take ownership of their lives and make their dreams a reality.

Beyond the classroom, OFL wishes to support its communities in a lasting way. We get to know the families of our students and work to provide open channels of communication between parents, students and staff. When our students graduate with their high school diplomas and continue onto successful post-secondary options such as college and successful careers our California neighborhoods and local economies are strengthened.

We thank you for choosing our school for your education. We encourage our students to take advantage of all the extra-curricular activities and academic support that is provided at each school site. Furthermore, we encourage our parents to keep in communication with their students' teachers. Together we will form a team that will help your student to achieve their dreams.

### OFL Mission Statement

Opportunities For Learning Public Charter Schools are exemplary models of successful blended learning programs. Our staff empowers, inspires, and connects with our students to help them achieve their goals, positively change their lives, and make their dreams a reality. Our schools are a supportive environment where all stakeholders are successful.

## Charter School Profile (School Year 2015-16)

John Hall and his wife, Joan, started their career in education back in 1966 as teachers for the Los Angeles Unified School District. Both shared a dream that kids who falter in traditional schools may still achieve a good education - and a diploma - if they work hard and have teachers that won't give up on them. Opportunities For Learning schools were created to fulfill that dream. Since 1999, Opportunities For Learning has helped thousands of young men and women find the courage and discipline to earn an education and follow their own dreams after graduation.

Opportunities For Learning Public Charter School is a non-classroom based charter school that offers independent study programs specifically tailored for "at-risk" students and other families seeking an alternative to traditional public schools. Students who may have previously experienced difficulty in traditional schools find success with the program. Opportunities For Learning Public Charter School combines personalized learning plans with self-esteem and leadership development. The educational programs at the school are designed to meet the needs of our changing society. Opportunities For Learning Public Charter School is dedicated to ensuring the academic success of every student and providing a safe and comprehensive educational experience. This Charter School is fully accredited by the Western Association of Schools and Colleges (WASC).

## School Enrollment (School Year 2014-15)

During the 2014-15 school year, Opportunities For Learning - Baldwin Park served 1,379 students in grades 7-12 on a year-round calendar. The charts display school enrollment broken down by grade and student group.

### Enrollment Trend by Grade Level

## School Attendance (School Year 2014-15)

Regular attendance at Opportunities For Learning - Baldwin Park is a necessary part of the learning process and is critical to academic success. It is the policy of the school to automatically dismiss any student who has been truant for two consecutive school months in a 12-month period.

Truancy is determined by failure to report to regularly scheduled meetings and/or failure to make satisfactory progress in accordance with the signed agreement.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Highly Qualified Teachers (School Year 2014-15)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as “Highly Qualified.” Minimum qualifications include:

- Possession of a Bachelor’s Degree
- Possession of an appropriate California teaching credential
- Demonstrated competence in core academic subjects

For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

*Note: As an independent charter school, the school’s program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By Highly Qualified Teachers	% of Core Academic Courses Taught By Non-Highly Qualified Teachers
School	38.5%	61.5%

### Teacher Assignment

The school recruits and employs qualified credentialed teachers who meet all credential requirements in accordance with State of California guidelines. This chart displays information about teacher credentials at the school.

*Note: As an independent charter school, the school’s program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

## Instructional Materials (School Year 2015-16)

Opportunities For Learning Public Charter Schools determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, health, foreign languages, and visual and performing arts for use in the classroom and to take home. The table displays information collected in November 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Opportunities For Learning - Baldwin Park has a variety of educational and recreational books which are available for students to check out.

### Cleaning Process

Opportunities For Learning - Baldwin Park provides a safe and clean environment for students, staff, and volunteers. Cleaning crews clean all facilities on a weekly basis.

### Maintenance & Repair

Opportunities For Learning - Baldwin Park has monthly inspections and routine maintenance work at all locations. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program)
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### Testing Data Note

As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.

### California Assessment of Student Performance and Progress (CAASPP)

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts (ELA) and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

Students receive an overall score for each subject, ranging from 2,000 to 3,000. Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met - Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met - May require further development for success in future coursework.
- Performance Level 3: Standard met - Demonstrates progress toward mastery.
- Performance Level 4: Standard exceeded - Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of Mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

California Assessment of Student Performance and Progress		
Percent of Students Meeting or Exceeding the State Standards		
Subject	School	State
English Language Arts/Literacy (Grades 3-8 and 11)	38	44
Mathematics (Grades 3-8 and 11)	6	33

The following tables displays information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades seven, eight, and eleven.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

## California Standards Test (CST) - Science

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in Science (for grades 5, 8, and 10), for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

For detailed information regarding the results for each grade and performance level, see the CDE CAASPP Results Web site at <http://caaspp.cde.ca.gov/caaspp2015/Index.aspx>.

## UC/CSU Course Completion

Students at Opportunities For Learning - Baldwin Park are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment	
	Percentage
Students Enrolled in Courses Required for UC/CSU Admission (2014-15)	88.2%
Graduates Who Completed All Courses Required for UC/CSU Admission (2013-14)	0.3%

*\* Duplicated Count (one student can be enrolled in several courses).*

## Career Technical Education Programs & Participation (School Year 2014-15)

Opportunities For Learning - Baldwin Park does not offer Career Technical Education (CTE) programs. Thus, no students participated in CTE programs at the school.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

### Physical Fitness (School Year 2014-15)

In the spring of each year, Opportunities For Learning - Baldwin Park is required by the State to administer a physical fitness test to all students in seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas.

This table displays by grade level the percent of students meeting fitness standards (scoring in the "healthy fitness zone" on all six fitness standards) for the most recent testing period. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

Percentage of Students in Healthy Fitness Zone 2014-15			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	24.4%	24.4%	17.1%
9	28.6%	20.2%	4.7%

### California High School Exit Examination (CAHSEE) Results for All Grade Ten Students (School Year 2014-15)

Until the 2015-16 school year, the California High School Exit Exam was primarily used as a graduation requirement in California, but the results of this exam was also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English/Language Arts section and a Math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement.

The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years. The second table displays the percent of students, by group, achieving at each performance level in English/Language Arts and Math separately for the most recent testing period.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Parent & Community Involvement (School Year 2015-16)

Parents and the community are very supportive of the educational programs at Opportunities for Learning. Parent participation is encouraged and highly valued. Opportunities for involvement consist of Open House, sporting events, parent meetings and orientations for specialized courses and trips, community outreach, social events, community service events, and senior events. In addition, parents are required to attend an orientation meeting upon enrollment. Teachers and parents are in continuous contact via phone, email, and face-to-face. Opportunities for Learning has an open door policy where parents may either visit or call the learning center at any time.

### Contact Information

Parents who wish to participate in Opportunities For Learning's leadership teams, school committees, school activities, or become a volunteer may contact the administrative office at (818) 952-1790, or visit the program's website at [www.emsofl.com](http://www.emsofl.com).

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority5):

- High school dropout rates
- High school graduation rates

### Completion of High School Graduation Requirements - Class of 2014

Students in California public schools must pass both the English/Language Arts and Mathematics portions of the California High School Exit Exam (CAHSEE) to receive a high school diploma. For students who began the 2013-14 school year in the 12th grade, the table displays the percent of students who met all state and local graduation requirements, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE website at <http://www.cde.ca.gov/ta/tg/hs>.

*Note: As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

## Dropout & Graduation Rates (Four-Year Cohort Rate)

The school actively works to reduce dropouts. Dropout interventions include student advisor-led interventions, flexible schedules, and tutorial programs, which can alleviate the academic frustration that typically precedes a student choosing to dropout. In addition, Opportunities For Learning regularly monitors student admissions and informs the District if a student has dropped from the Opportunities For Learning Program.

The chart displays dropout and graduation rates for the most recent three-year period. **Data from the 2014-15 school year was unavailable at the time of publication.**

*Note: The National Center for Education Statistics graduation rate as reported in AYP is provided in the table. These graduation figures do not include students that transferred out of Opportunities For Learning to continue their education elsewhere (ex, a previous district, adult school, or community college). This measure also excludes students who continued with our school but did not graduate by the end of their 12th grade year.*

*Note: As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates
- Pupil expulsion rates
- Other local measures on the sense of safety

## Discipline & Climate for Learning

Opportunities For Learning - Baldwin Park believes that good discipline is a solid foundation on which to build an effective school. The goal of Opportunities For Learning's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Opportunities For Learning believes students who develop a sense of personal responsibility will mature both academically and emotionally. Students are expected to adhere to certain behavior expectations including: Students are expected to adhere to certain behavior expectations including:

- Follow all written and verbal agreements.
- Be courteous and respectful to others.
- Respect the property of others.
- Be prepared to learn at all times.

Parents and students are informed of discipline policies at the beginning of each school year through parent orientations, the student handbook, and parent/student agreement forms. Upon registering at Opportunities for Learning, students and parents both sign a Master Agreement which outlines the educational and behavioral expectations of each student. If an attendance issue arises, truancy notices are sent out to parents and phone calls are made by office staff to notify the parents and/or student.

The table displays the suspensions and expulsions rates at the school and throughout the state. Expulsions occur only when required by law or when all other alternatives have been exhausted.

*Note: As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

## Safe School Plan (School Year 2015-16)

Safety of students and staff is a primary concern of Opportunities for Learning Charter Schools. The Safety plan is updated annually by the administration team; revisions are shared immediately with all members of the staff. The key elements of the Safety Plan include:

- Emergency Preparedness
- Safety Inspections
- Mandated Reporting
- Drills

The school is fully compliant with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, evacuation, and lockdown drills, as well as safety checks are conducted four times a year. The plan was most recently updated in November 2009 and reviewed with school staff in October 2015.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a Federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the State academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following AYP requirements:

- Participation rate on the State's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the State's standards-based assessments in ELA and Mathematics.
- Graduation rate.

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their District) that have met their AYP, and the former school would be required to provide transportation to the new site. Results of school, District, and State performance are displayed in the chart.

*Note: As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

More information about Title I and NCLB requirements can be found on the California Department of Education's website <http://www.cde.ca.gov/ta/ac/ay/> and the U.S. Department of Education's website <http://www.nclb.gov>.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		State	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	No	No	Yes	Yes
Participation Rate	No	No	Yes	Yes
Percent Proficient	N/A	N/A	N/A	N/A
Met Attendance Rate	No		Yes	
Met Graduation Rate	Yes		Yes	

### Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

*Note: As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.*

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

## Staff Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. Opportunities For Learning - Baldwin Park sponsors staff development days throughout the year where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

In the 2012-13 and 2014-15 school years, the school offered 10 staff development days. In the 2013-14 school year, there were 25 staff development days. Training included center meetings, assessment trainings, Teambuildings, Input 360, excel training, Online Program training, PSAT workshops, CPM training, CPR training, LEADership Training, retreats, Math and ELA PLCs, Student Advisor seminars, Science SGI meetings, and Cluster Teambuilding.

## Class Size

Due to the nature of the independent study program offered at the school, complete class size distribution data is not applicable.

## Advanced Placement Classes (School Year 2014-15)

Opportunities for Learning - Baldwin Park offers Advanced Placement (AP) courses for those students seeking to qualify for college credit. Juniors and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

## Counseling & Support Staff (School Year 2014-15)

In addition to academics, the staff at Opportunities For Learning - Baldwin Park strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. Psychologists are devoted to helping students deal with problems and assisting them to reach positive goals.

The academic counselor-to-pupil ratio is 1:230. The chart below displays support services that are offered to students at Opportunities For Learning - Baldwin Park. *Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.*

Counseling & Support Services Staff		
	<u>Number of Staff</u>	<u>Full Time Equivalent</u>
Academic Counselor	6	6.0
Resource Specialist Program (RSP) Teacher	6	6.0

The school structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques and supplemental instructional materials and programs. The specialized services at Opportunities For Learning respond to the customized needs of each student and may include: additional assistance from the school's Resource Specialist, small group instruction, and one-on-one tutoring from teachers.

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in and around the locations of the school which contain numerous computer workstations.

## Financial Data Note

As an independent charter school, the school's program, resources, and administration are run independently from the host district, so there is no district data to report for comparison in this section.

## School Expenditures (Fiscal Year 2013-14)

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2013-14 school year. The Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.
