

# Local Control & Accountability Plan (LCAP) Fall 2017 Parent & Student Survey Results Opportunities For Learning Duarte

**Focus Groups** were held at the school centers between the months of September and November of 2017. These meetings were presented in order to provide parents and students with more information about LCAP and our school-wide goals for the 2017-2018 school year. Additionally, parents and students were invited to provide feedback and engage in discussion around improving our programs and supports for students.

**3 Meetings were held throughout the charter with 98 parents, students, and family members in attendance\*.**

An **online survey** was administered at the conclusion of each Focus Group Meeting as well as distributed to parents in a variety of ways throughout the Focus Group period. Through these surveys parents were again invited to provide feedback around improving our programs and supports for students, particularly focusing on school climate and connectedness to OFL Duarte. Students were surveyed through the **online assessment** platform during their scheduled appointment times.
